CLAIM FOR CRIME-RELATED SECURITY COSTS

Submission of this form does not guarantee payment

Claimant's Name: _____ Victim's Name: _____ Claim #: _____

1. The security benefit can be used for expenses such as a change of locks, or equipment and installation costs of a security system. It can also be used to replace crime-related damages creating a security concern for the residence, such as a damaged entrance door or broken windows that could be used to access the residence. The max amount payable is \$1500. If you have questions about whether or not a cost is coverable, please contact your Reparation Officer at UOVC. Please note that recurring fees for a security system are not payable.

2. What would you like to use this benefit for and how is it related to the crime? _____

3. If you want UOVC to pay security costs, attach the following information and return it to UOVC:
- a. If you paid the expenses out of pocket, please send a receipt verifying the item(s) purchased and the amount paid. We may need to request additional information if the item purchased is not clear from the documentation provided.
 - b. If you would like us to pay a provider, please have them contact our office to discuss billing. Please note that security expenses typically have to be reimbursed as most of these providers will not bill us.
 - c. If you have Home Owners' Insurance that covered a damaged entrance door or broken window(s), please contact your Reparation Officer about the possibility of reimbursing the deductible.
4. Information needed to pay a provider:
- a. Invoice detailing specific services/items requested as well as total cost.
 - b. A W9 form, including Federal Tax ID Number, contact information, and address the payment should be made to. State Finance needs this information to process the check.

**Once UOVC receives and approves this information it will take a minimum of two weeks for you to receive a check from the State of Utah Division of Finance.
